ENHANCING ABE SECURITY

ILOGIN ILPARTNER

Illinois Department of Healthcare and Family Services

New Multi-Factor Authentication Summer 2024

Who will be affected?

- ABE Customers
- ABE Provider Portal users
- Integrated Eligibility System (IES) Provider users

Why are we changing?

- Improved protection of private information
- Easier account and password recovery
- Consistency across
 multiple state systems

Two Login Processes

ILogin - for ABE Customers

IL Partner - for ABE Provider Portal & IES External Providers

ILPARTNER – for ABE Partners

How Will This Change Login?

- User ID will be an email address instead of a self-chosen user ID. Use of an email address instead of a self-chosen ID, allows the user to reset or change their password when forgotten or compromised, and eliminates the current process of creating multiple accounts and user IDs. Providers will be required to use their **work email** as the user ID for ABE.
- ILPartner is a 1 email = 1 account security process! NO SHARED MAILBOXES!
- Some ABE Provider Portal users may have multiple accounts due to forgotten passwords or secret questions, account malfunction, different locations, or different functionalities in ABE.
- All Provider Portal accounts will be merged into a single account even if you have different accounts for different functions. Users will now be allowed to choose multiple functions when creating a new ABE account.

Authorized Representative/Approved Rep

- If you are an Authorized Representative, also called Approved Representative, for multiple people using 1 email, you will need to create different emails for each individual if you will want to manage benefits for them in the customer ABE MMC portal. You will follow the customer process as outline later in this deck, and you will enter current User ID and Password. LTC Providers can still submit redes through the LTC Provider Portal account too.
- If you have an Application Agent provider portal account*, you can submit many application using your single email account. You are still able to submit an Authorized Representative document for those applications in order to receive mail for those accounts.
- We are exploring enhancements to accommodate for Authorized Representatives managing multiple individuals.

*Please note, It can take 30-45 days to be approved as an HFS Application Agent

Go-Live Day

• On the Go Live date for our new ILPartner login process, active ABE users, meaning those that have logged into the system within the last 6 months, will receive an email from the State of Illinois requiring them to begin the process of creating their new ILPartner account.

From	Subject	Received
soi.no-reply@illinois.gov	IES Provider or ABE Provider ACTIC	ON REQUIRED: Complete your Legal Consent and email just now

- This email will include an activation link with instructions on how to complete the ILPartner account creation. *The email link will be valid for 7 days only!*
- After the initial *mass migration* of users, this process will be triggered when the (P)ASA at your organization sends a 1706P request to your HFS Liaison. The HFS Liaison will request account creation which will trigger the email to the end user.
- Later in 2024, we expect to launch a new request and tracking system called SecZetta.

IL PARTNER

Activation Link

The email received will have your User ID (work email) included. A public domain email cannot be used for the ABE Provider Portal or the IES External Worker Portal. Click on the Activate ILPartner Account link to begin account creation. New users will need to register in ABE after signing in with their ILPartner account. New users will need the organization provider ID number to complete the registration process.

State of Illinois ILPartner Account Hi R U An ILPartner account has been created for you based on you needing access to a State of Illinois Agency App, Your username is R er@Illinois.gov You will need to complete the activation and configuration of your account via the activation link below. When requested to setup your Multi-Factor Authentication (MFA), it is suggested you setup at least two authentication methods. If one is not available, you have the option to switch to another method without contacting the support team. Okta Verify is a Click the following link to activate your account: *The email link will be valid for 7 days only!* Activate ILPartner Account This link expires in 7 days. The State of Illinois ILPartner sign-in page is https://ilpartner.illinois.gov

If you experience difficulties accessing your account, please visit the DoIT Report a Problem page for assistance.

Already Have an ILPartner Account?

If you already have an ILPartner account, the ABE Application will be added to that account when a request is sent from HFS to the ILPartner Support Team. You will receive an email confirming that it has been added. If you are new to ABE, you will need to register in the ABE Provider Portal and be approved by an administrator to complete the ABE access process before completing tasks in ABE.

Welcome to the State of Illinois ABE Provider application

Hi {{attribute.personal_first_name}},

You have been approved to access the ABE application via the State of Illinois ILPartner secure authentication service. We have identified you have an existing ILPartner account. Please use it to login and access the ABE Provider application. Your username is: {{attribute.personal_email}}

You can proceed to the ABE Provider Portal to complete your registration using this link. https://hfs.illinois.gov/medicalproviders/abe_asa/asasubmit.html

If you experience difficulties accessing your ILPartner account, you can send a help request to your system administrator using the link: https://illinoisgov.okta.com/help/login

This is an automatically generated message from State of Illinois. Replies are not monitored or answered.

Creating an ILPartner Account

First create a password using the criteria specified. Next you will select your MFA method for your IL Partner Account. It is best practice to create two MFA methods so if one fails or is not available, the other can be used.

A lowercase letter			
 An uppercase letter 			
A number

Set up security methods

Security methods help protect your Okta account by ensuring only you have access.

Set up required

Enter a temporary code generated from the Google Authenticator app.

Set up →

Okta Verify

Okta Verify is an authenticator app, installed on your phone, used to prove your identity

Used for access or recovery

Set up →

Verify with a code sent to your phone Used for access or recovery

Account Complete!

- Once MFA methods have been chosen, the IL Partner account creation process is complete, and the ABE application is added to your IL Partner account. This IL Partner account can be used for other State of Illinois's applications that use IL Partner as a login method such as IMPACT or IES, if you are using the same email. If you already have an ILPartner account using the same email, you will get a different activation email.
- The organization Primary Agency Security Administrator will still need to submit the <u>Request for Primary Agency Security Administrator Approval</u> for new organizations, this will alert your HFS Liaison to send the account activation email. You will also need to submit all names of users you will want added to ABE to your HFS Liaison
- In the future we will be adding a new tracking system where requests will be submitted for *all* new users, and this is what will trigger ABE or IES account creation.

Logging into ABE after Account Creation

If this is a first-time ABE user, the user will choose **ABE Provider Registration**. They will complete ILPartner login and then the ABE Registration page.

Existing users will choose, **ABE Provider Login**. They will complete ILPartner login and arrive on the ABE Provider Landing page. All Provider Portal users are required to create an IL Partner Account and register in ABE. If you do not have an IL Partner Account, talk with your organization Agency Security Administrator.

ABE Provider Registration I am a first time user and have an IL Partner Account

 ABE Provider Login I have already completed registration and have an IL Partner Account An ABE Provider Portal Account allows you to:

- ✓ Submit Report of Birth Hospitals only
- ✓ Submit and check status of ABE applications
- ✓ Upload supporting documents for customers
- ✓ Submit MPE or FPPE applications

Exit

Troubleshooting

What if I let my email expire?

If you miss the activation seven-day window and your email verification link or account activation link no longer work, please contact <u>Report a Problem</u>.

What if I forgot my password?

During the ILPartner login process, expand the "Need Help?" and click on the "Forgot your password?" link. You will be asked to enter your current email address/Username and select a security option to verify your identity (SMS, Voice Call, or Email). The system will then prompt you for your new password. Once your new password has been accepted, you will perform the MFA method you chose and then you will be able to login.

ILogin – for ABE Customers

Preparing Customers

- What if a customer does not have an email address?
- There are several email providers who offer free email accounts. Please note that these
 providers are not partners with the State of Illinois, and email messages are not stored in
 State of Illinois systems:
 - Gmail: https://www.google.com/gmail/about
 - Yahoo Mail: https://login.yahoo.com/account/create
 - Microsoft Live Hotmail:https://outlook.live.com/owa
- What about customers that do not have and do not want an email?
 - Refer to <u>HFS Application Agents</u> that can submit apps via the Provider Portal, use <u>paper</u> <u>applications</u>, call(800) 843-6154 or go to a <u>Family Community Resource Center</u>

Users who do not have email account will not be able to establish an ILogin account. Customers will not be permitted to continue to use their current ABE Profile after the transition.

Customers:

From ABE.Illinois.gov choose: Apply for Benefits Login Manage My Case

Watch the ABE banner for a link to more information and Q & A!

First time Login: ILogin and ABE

Initial access and setup will be a 3-step process: Create, Connect, Choose. Create and Connect is required one time only. After the Create and Connect processes are complete, a returning user will choose **ABE Sign In.** To begin, click on **Create an ILOGIN Account I** do not have an ILogin account with State of Illinois.

ABE Access

HFS Application Agents

Illinois Department of Healthcare and Family Services

HFS Application Agents Definition

 HFS Application Agents are staff at community-based organizations, health and hospital systems, LTC Facilities and other social service agencies that have ongoing contact with persons likely to be eligible for medical coverage under the State of Illinois Medicaid Program. They can provide outreach, education, and technical assistance for new applications, Manage My Case, and redeterminations.

HFS AA Agencies Qualifications

- Facilities licensed under the Nursing Home Care Act, the ID/DD Community Care Act, or the MC/DD Act or certified under this Code.
- Medicaid enrolled Providers including Hospitals
- County departments and local governmental units
- Schools, youth service agencies, employer, labor unions, local chamber of commerce, and community-based organizations
- Other categories as approved by the Department

Requirements

HFSAAs must be:

- An approved organization type
- A Provider in good standing with the State of Illinois
- Certified with the State Comptroller's Office
- Have a state license if an Insurance Agent/Agency

New Requirements and Forms

- New requirements include:
 - □ <u>An Application Agent Agreement</u> Legal Agreement between HFS and Agency
 - □ <u>A Business Associate Agreement</u> Covers HIPAA security requirements
 - □ <u>AW-9 Form</u> Business Form required to register as a Provider in the HFS' IMPACT system.
 - Completion of a <u>Business Profile Form-</u>collect information regarding the primary business
 - Completion of an <u>Operations and Location Form</u>- collects information regarding Application Agent Staff
- New organizations: Complete and submit a <u>Request to become an HFS Application</u> <u>Agent</u> to start the process to join our team!

Agreements and W-9 should be submitted to HFS.ApplicationAssisters@illinois.gov

Application Agent Functions

- Submit and track new applications for medical, SNAP, or Cash Assistance through the ABE Provider Portal
- Check/ view the status of submitted applications
- Create an ABE or MCC Account with applicants
- Provide Medicaid outreach material
